

Christmas 2024

Our family and friends are always so precious to us and we are so grateful to be reminded of this every Christmas and feel a need to write again to thank you. We continue to receive encouragement and love and want you to know how blessed we know we are.

We are generally in good health and keep fairly active, enjoying near daily walks into the village and several social activities like church Sunday morning followed by lunch at one of the restaurants, morning teas, Bible study.

Ken still leads the church service monthly and maintains his web site, www.poweringon.com, with copies of his sermons and other things that interest him. Elizabeth has taught Special Religious Education (Scripture) in infants school each week for 17 years and has finished this year.

Elizabeth practices Granny Derwent's recipe and makes scones for morning tea after church and for *Communi-tea Cuppa*: each Monday morning for a couple of hours we have a morning tea in the church grounds to give social friendship for about 20 mostly older local people.

We went to visit family in Sydney 550km to the south and several times to the Sunshine Coast 550km north - including to visit our 10th great-grandchild, Franklin.

We thank God for you and pray for you that you will have a blessed Christmas and a happy New Year.
